The school would like to thank Wendy for volunteering and providing a creative arts program for the students. Wendy has been working with students from Preschool to Year 6 teaching them dance, movement and how to use recycled items creatively.

Unfortunately Wendy has injured her ankle and will not be returning this year. We hope to see her back in 2013.

## **GREAT NEWS!!**

Our school has been successful in receiving further support from the Australian Children's Music Foundation. For 2013 we will have the expertise of a drumming teacher one day per week.

Tish will also continue to volunteer to support students teaching them to learn to play a variety of musical instruments.

We are very lucky to have her expertise and dedication.

Students from 2B enjoy learning the bells with Tish
