School spirit can be promoted in many ways. One important way is through the wearing of our school uniform. It helps your children feel part of a 'team' and also teaches your children about our beliefs of 'learning together' and 'responsibility'.

Baseball caps and similar should not be brought to school and are certainly not part of our school uniform.

Please keep the swimming notes and money coming in to the office!

A reminder that [we have a student with a nut allergy at our school](#). Please refrain from sending nut products in your child's lunchbox. This includes peanut butter and 'nutella' type products

# SCR Excursion Term 3

SCR students enjoyed a wonderful day at Crowdy Bay and Harrington at the end of last term. They loved running and playing on the beach and especially enjoyed building sandcastles. Afterwards they enjoyed hot chips and a play in the park at Harrington.

# Support Unit Playground!

Exciting new developments have been happening over the holidays in the Support Unit playground. There has been a new concrete path built right throughout the playground that has given students a fantastic new addition to their wonderful playground.

The photos below were taken by one of our fabulous Support Unit students Latoya Simon. Latoya Stated - 'We love our new path!! Our playground is starting to look AWESOME!'
