#### Principal's Message

For the remainder of 2013 we are working to increase student attendance at school - both full days and part days.

To achieve this, we will be rewarding students with perfect attendance - this means being at school each and every day—for the full school day. Over set periods in Terms 3 and 4, students will receive a ticket in the prize draw for an IPAD - just by achieving perfect attendance. A display in our school hall will record how each student is going by listing the number of tickets they have in the prize draw. In total, we will be giving away 3 IPADS - 1 for students in the support unit, 1 for students in K-2 and 1 for students in Years 3-6. The draw will take place at our annual presentation day. We will also be acknowledging students with great attendance at school, on a weekly basis, over the next 2 terms.
