## Principal's Message:

We are currently working on our new school plan for 2015-2017. If you would like to have a say - See Mrs Inglis now!

This week's Grapevine includes a huge amount of photos showing the

diversity of activities that occur at our school. From the youngest students to our senior students, learning takes place in many forms. I want to thank our dedicated staff for facilitating this wonderful learning.

Intensive swimming starts next week - the cost is only \$20 - other neigh-

boursing schools are charging students \$75! We offer affordable water safety that could one day save your child's life!

On Friday 4/5M, Ms Madden, Jodi, Kerrie and Dave went fishing. Reece caught a fish. Lacey caught a fish and Paige caught a fish, we all had to let them go. We were at Queen Elizabeth Park. At morning tea time, we sat under the tree in the cool shade and then we went to play in the park for a while. We went back to fishing until Mr Stevens and 5/6S turned up. I had a great time at fishing and I am looking forward to going back to fishing this Friday.
