Principal's Message

Some students are bringing tablets, pendo-pads and mini ipads to school. I remind parents that the school takes no responsibility for the loss and/or damage to any personal items brought to school. It would also be appreciated that if you allow your children to bring electronic devices to school, you firstly negotiate this, with your child's class teacher.

Student yearly update forms have been sent home earlier this week. Please update the information and ensure the form gets returned to school. Also, expression of interest forms for students starting high school in 2015 are OVERDUE!

Last day of Term 1 is Friday 11 April.

Regards, Paul Sortwell

FOOD ALLERGY ADVICE: *We have a student with a NUT ALLERGY. We ask all families not to bring any nuts or nut products onto the school site or to school activities. This is a risk minimisation strategy for this student!*

Senior Girls Footy Festival

Girls from both 5/6H and 4/5C attended a Footy Festival in Taree on Wednesday 19 March. The day was filled with fun activities which involved the girls to work hard and participate in games to develop them build skills and tactics in AFL, Soccer, Rugby Union and Touch. The girls had a fantastic day. I was extremely proud of the way the girls worked together and privilege to see the girls bond. Well done to those girls who attended.
