Term 3 Week 6 - 21 August 2014

Principal's Message:

We hope you enjoyed our Book Week celebrations! Thank you to our fabulous librarian - Mrs Johnson and her Book Week Committee.

Our 4/5 students and Year 6 students have upcoming school camps

in the next few weeks. It is important that parents comply with the payment schedules for these camps.

A reminder that students should not be bringing hats to school - we supply school blue bucket hats for all students to wear. If students bring

hats to school - they will be confiscated by class teachers. Your cooperation with this expectation is appreciated.

Stay Strong!

STRONG AND SMART STUDENTS!

To celebrate National Science Week, 1E have become chemistry specialists this week. They have been predicting what will happen when different chemicals are added to liquids. With safety glasses on, Scientist Rory, Scientist Ricky and Scientist Lachlan were brave enough to add our secret ingredients to our soda. The results were certainly different to what the class had predicted before the experiment began! During week 7 1E will be investigating what it would be like to be a palaeontologist searching for dinosaur bones. I wonder what we will find...

Ms Somerville and 1E
