

# THE GRAPEVINE

TERM 4 WEEK 7 - 21 November 2016

## Principal's Message

I have attached the current price list for all current items on our school uniform list. We have our new school shirts in stock. Now is a great time to buy your school uniform from our school front office. Wearing our school uniform is not a choice, it is mandatory for all students. Research shows that when students proudly wear a school uniform, they feel part of the 'team' and display greater pride and confidence. We ask parents to ensure that their children are in school uniform every day. Sports uniform should be worn on Fridays. From 2017, our Year 6 students will be able to purchase and wear a special Year 6 only shirt to highlight their senior role at our school.

All students are expected to wear a hat at school. This is a school expectation and we will not let children play in the sun without a hat. It is all about being safe. Students can bring a hat from home. We currently sell school hats for the very affordable price of \$5.

Some great news! In 2017 we will be an Early Action for Success school. A Deputy Principal has been appointed to our school to be the instructional leader for literacy and numeracy in Preschool to Year 2. We will have a very strong focus on literacy and numeracy from next year, tracking closely the progress of students in English and Maths. We are committed to Early Action for Success for the next four years. Our school's leadership structure will change slightly. There will be a school principal, followed by the new deputy principal and then we will have our current two assistant principals. There are very exciting times ahead for both teachers and students as we engage with Early Action for Success. I will announce the name of our new deputy principal in the next Grapevine.

We will be commencing the process to elect 2017 student leaders very shortly. Ms Theo and Ms Hudson will be leading this process.

Stay strong and smart!

Paul Sortwell, Principal.
