.We are certainly back in the swing of things. Classes are going out of the school for sport and excursions, our K-6 assemblies have started and there is quality teaching and learning occurring in our classrooms.

Some upcoming events:

NAPLAN starts soon for Years 3 and 5.

Our school cross country is on Friday 10 March.

I would like to invite everyone to our next K-6 school assembly this Friday.

Manning Gardens Public School - Barray Yurrung Preschool

Our Fantastic Preschool!

by Ms Patrice, our Preschool teacher.

Our preschool is for four year olds. Generally most children have one year at our preschool before they start Kindergarten and big school. We offer first class facilities and a great team of people to work with your child. We think our preschool is the best!

Reminders and Updates

Attendance Matters

by Paul Sortwell

The message is simply ... we need all student absences explained.

If your child is away from school, please let us know.

It is a Department of Education requirement that parents and caregivers explain student absences.

We have two mottos for attendance:

1. Students at school everyday.
2. All absences explained by parents.

Just give us a call and let us know why your child is away from school. Tell a staff member or email the school.

Make It Count

by Paul Sortwell

Daily attendance is crucial for strong and effective learning and for children to achieve a sound education. If your children are not sick, they should be at school. We want every student, every child to be at school every day.

If your child is sick, please keep them at home and seek medical advice as required.

Parents, please explain all absences from school. Call 6552-6333 and let us know why your child was away.

Strong home, school and community partnerships enhance your child's education.
