TOP NEWS

- Our kindergarten students turn 100 on Tuesday! Oh well, we mean 100 days smarter after attending kinder for 100 days.
- Book Week 2023 is just around the corner. Join with us on 23 August for another fantastic day of dress up and books!
- Our Support Unit vegetable garden looks absolutely amazing! Students are growing some great crops and they taste good too.

BAAYA YURRUNG PRESCHOOL

Our preschoolers are in their final semester of fun, outdoor learning before they start big school in the new year. They have an amazing outdoor environment that enriches their creativity and thinking. Patrice and Uncle Ron do an absolutely fantastic job. Sight and hearing tests are currently being organised for our kids.

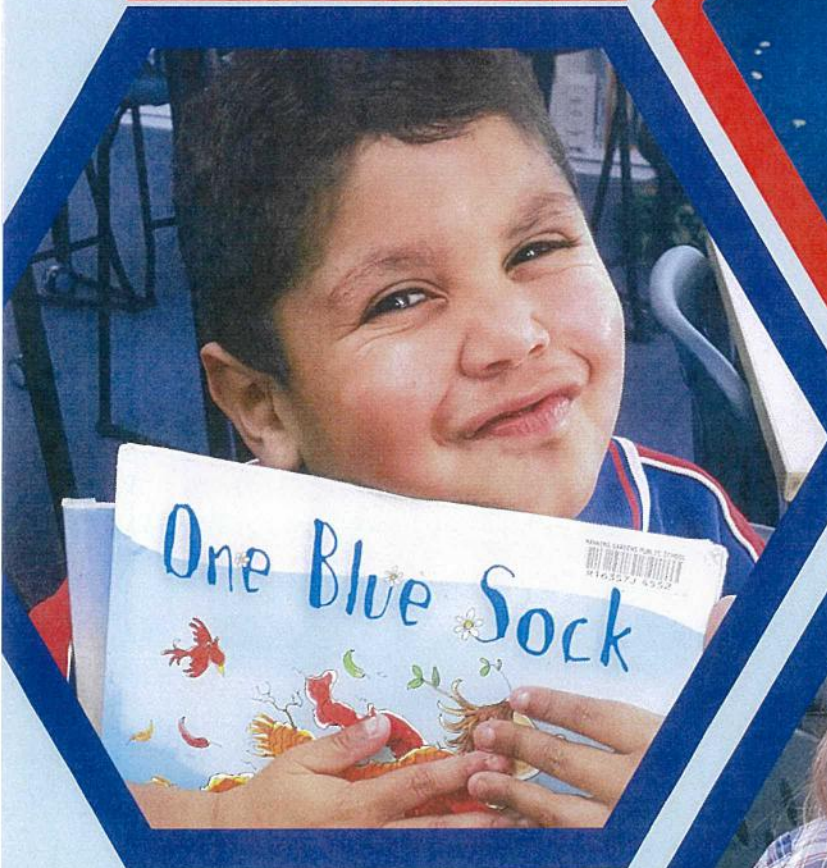

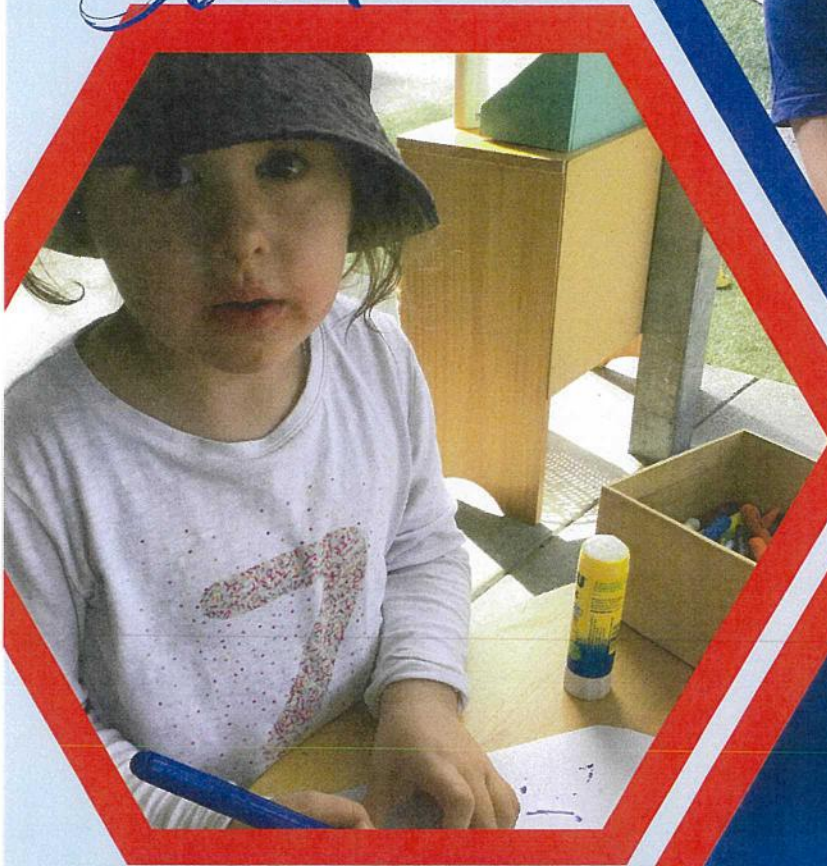

SUPPORT UNIT

The weather is perfect for excursions and our support unit classes are getting out and about at the moment. It is time for a review of all student Individual education plans (IEP). Parent meetings are currently being booked in for this Wednesday 3 August from 3.30pm. Parents are asked to signed the IEP and then return it to school.

Principal's Report

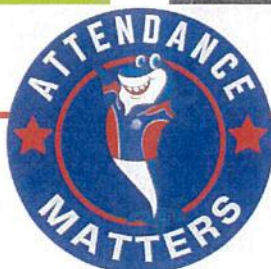

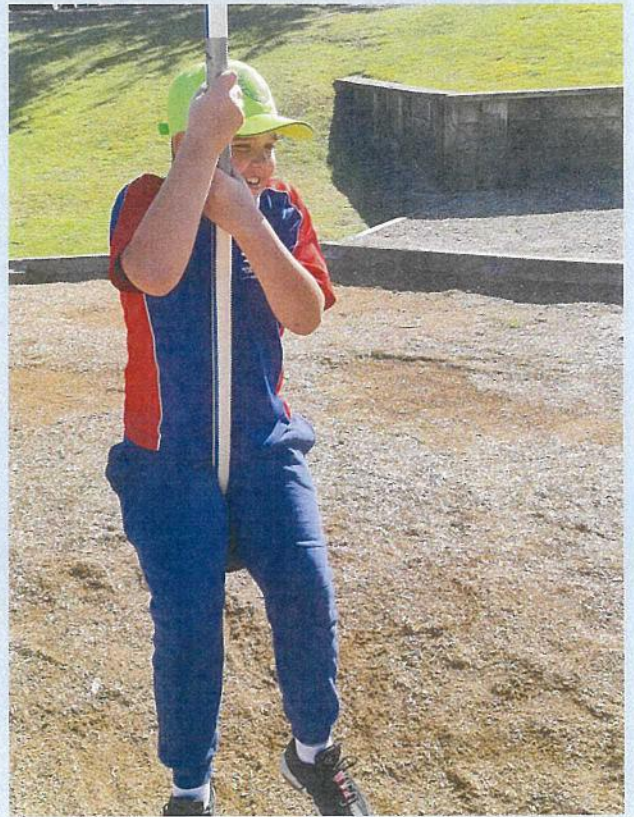

Happy Kids at MGPS

by Paul Sortwell, our School Principal.

Across all departments, our school is full of happy and successful learners. It comes down to our extraordinary partnerships with parents, community and our staff. We are here to help you so please come and talk with us. This Wednesday we have parent meetings and we want lots of parents to come up and ask about their child's progress. There are many exciting things happening across the school at the moment. Our school is really humming! Have a great week.

Manning Gardens Public School - Barray Yurring Preschool

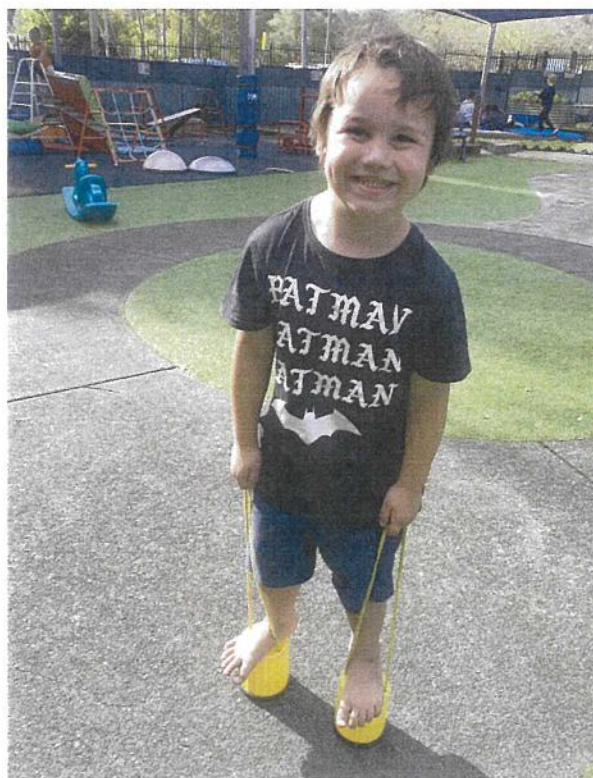

Our Fantastic Preschool!

by Ms Patrice, our Preschool teacher.

Our preschool is for four year olds. Generally most children have one year at our preschool before they start Kindergarten and big school.

We offer first class facilities and a great team of people to work with your child. We think our preschool is the best!

Reminders and Updates

Attendance Matters

by Paul Sortwell

The message is simply ... we need all student absences explained.

If your child is away from school, please let us know.

It is a Department of Education requirement that parents and caregivers explain student absences.

We have two mottos for attendance:

1. Students at school everyday.
2. All absences explained by parents.

Just give us a call and let us know why your child is away from school. Tell a staff member or email the school.

Make It Count

by Paul Sortwell

Daily attendance is crucial for strong and effective learning and for children to achieve a sound education. If your children are not sick, they should be at school. We want every student, every child to be at school every day.

If your child is sick, please keep them at home and seek medical advice as required.

Parents, please explain all absences from school. Call 6552-6833 and let us know why your child was away.

Strong home, school and community partnerships enhance your child's education.
