TOP NEWS

- Attendance League round winners enjoyed a reward excursion, having their favourite fast food last week.
- Years 1-6 continued to enjoy their weekly NRL sporting schools sessions under our COLA.
- Our Support Unit students are working through their Individual Education Plans, striving to meet their personal goals and targets.

BAAYA YURRUNG PRESCHOOL

Our preschoolers are in their final semester of fun, outdoor learning before they start big school in the new year. They have an amazing outdoor environment that enriches their creativity and thinking. Patrice and Uncle Ron do an absolutely fantastic job. Sight and hearing tests are currently being organised for our kids.

SUPPORT UNIT

Our support unit classes make up one department in our school. These classes participate in our five weekly attendance league rounds. Two support unit classes came equal first with MS Blue. The classes were SC Orange and SC Red. SC Red is our first multiple winner. Attendance matters in our support unit.

Principal's Report

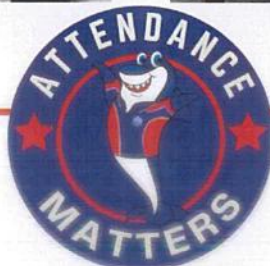

Say No to Bullying!

by Paul Sortwell, our School Principal.

This Friday we are giving bullying the heave ho by saying 'No' to bullying. This is a national day of action against bullying and violence. Please dress you child in orange to support this important cause. Bullying is nasty and mean and hurts lots of people. We want a kinder, more caring community where everyone looks after each other's feelings. If we start we kids, we can achieve this important goal. Keep smiling and keep shining throughout the week!

Manning Gardens Public School - Barray Yurrung Preschool

Our Fantastic Preschool!

by Ms Patrice, our Preschool teacher.

Our preschool is for four year olds. Generally most children have one year at our preschool before they start Kindergarten and big school. We offer first class facilities and a great team of people to work with your child. We think our preschool is the best!

Reminders and Updates

Attendance Matters

by Paul Sortwell

The message is simply ... we need all student absences explained.

If your child is away from school, please let us know.

It is a Department of Education requirement that parents and caregivers explain student absences.

We have two mottos for attendance:

1. Students at school everyday.
2. All absences explained by parents.

Just give us a call and let us know why your child is away from school. Tell a staff member or email the school.

Make It Count

by Paul Sortwell

Daily attendance is crucial for strong and effective learning and for children to achieve a sound education. If your children are not sick, they should be at school. We want every student, every child to be at school every day.

If your child is sick, please keep them at home and seek medical advice as required.

Parents, please explain all absences from school. Call 6552-6333 and let us know why your child was away.

Strong home, school and community partnerships enhance your child's education.
