- Our mainstream K-2 classes went on an amazing excursion to Billabong Zoo near Port Macquarie.
- Our Support Unit students are enjoying the change of seasons and warmer weather as part of their weekly visits around the mid north coast.

BAAYA YURRUNG PRESCHOOL

Our preschoolers are in their final semester of fun, outdoor learning before they start big school in the new year. They have an amazing outdoor environment that enriches their creativity and thinking. Patrice and Uncle Ron do an absolutely fantastic job. Sight and hearing tests are currently being organised for our kids.

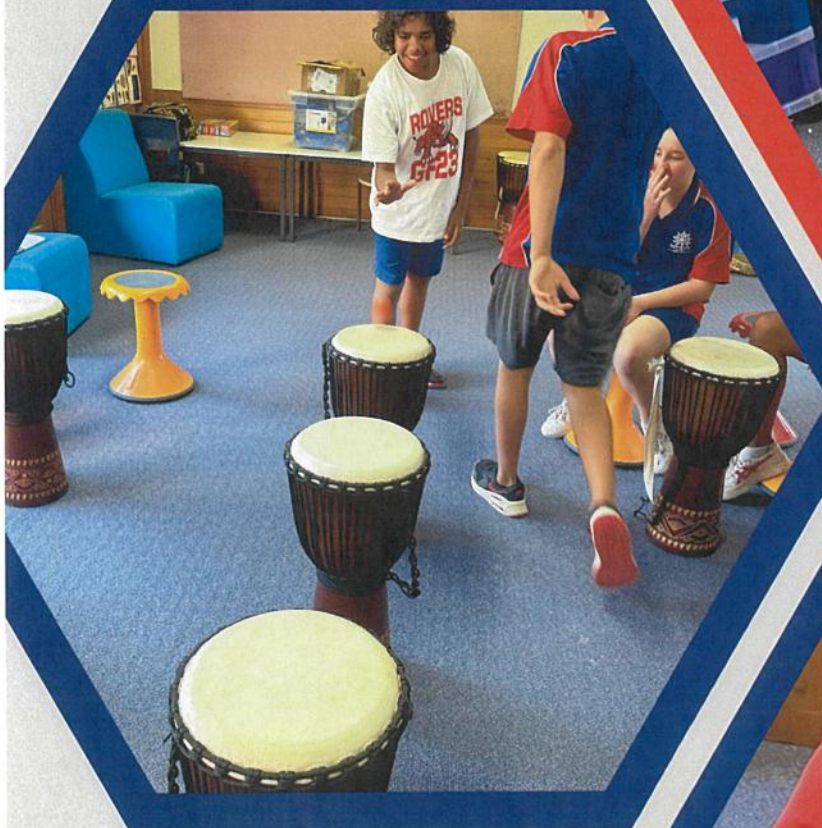

SUPPORT UNIT

Our Support Unit consists of five classes: Our Early Intervention class, near our preschool. Four support classes for students from Kindergarten to Year 6. Our support classes are a regional resource, based here at Manning Gardens Public School. Students from schools in the Taree network can gain entry to our Support Unit via a placement panel process. We are proud of our inclusive approach to education.

End of Term 3 Thank You!

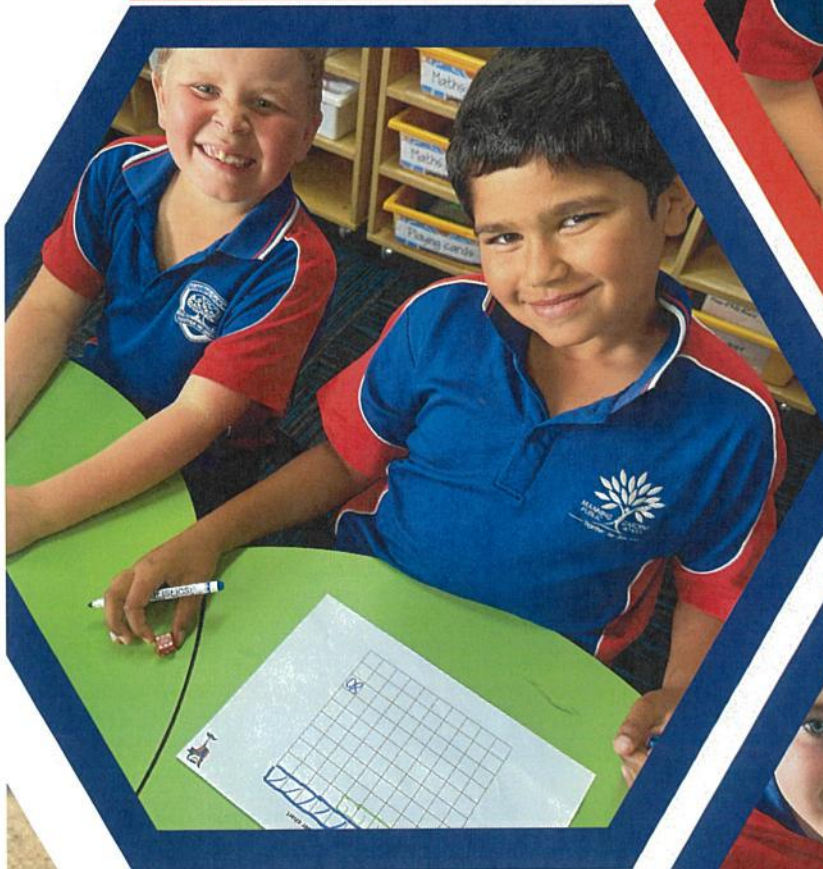

by Paul Sortwell, our School Principal.

I would like to thank our P&C for their hard work and dedication to our school and students. They are the best volunteers and their effort is appreciated. I would like to give a 'shout-out' to our parents and caregivers. Thank you for working in partnership with us. Lastly to our students and staff for engaging in quality teaching and learning throughout Term 3. I am taking 12 days of leave at the start of Term 4. Mrs Rutten will be relieving principal whilst I am on leave.

Stay Strong!

Our Fantastic Preschool!

by Ms Patrice, our Preschool teacher.

Our preschool is for four year olds. Generally most children have one year at our preschool before they start Kindergarten and big school. We offer first class facilities and a great team of people to work with your child. We think our preschool is the best!

Reminders and Updates

Attendance Matters

by Paul Sortwell

The message is simply ... we need all student absences explained.

If your child is away from school, please let us know.

It is a Department of Education requirement that parents and caregivers explain student absences.

We have two mottos for attendance:

1. Students at school everyday.
2. All absences explained by parents.

Just give us a call and let us know why your child is away from school. Tell a staff member or email the school.

Make It Count

by Paul Sortwell

Daily attendance is crucial for strong and effective learning and for children to achieve a sound education. If your children are not sick, they should be at school. We want every student, every child to be at school every day.

If your child is sick, please keep them at home and seek medical advice as required.

Parents, please explain all absences from school. Call 6552-6333 and let us know why your child was away.

Strong home, school and community partnerships enhance your child's education.
